Hello.

In principle, Project Humanbeingsfirst.org supports all effective measures which attempt to bring the entire hierarchy of monumental criminals to fair justice. As is often the case with victor's justice, and with those in the victor civilizations pursuing their notion of justice against the criminals in their midst, the big picture is being silently swept aside in the "Bush to Hague" campaign. It should aptly be "Bush-Obama-Foundations-Banksters to Hague" Campaign.

It is not sufficient, in the view of Project Humanbeingsfirst, to assert that we are doing what we can! All men and women of conscience must endeavor to do what is right starting with the most significant crimes and seeking restitution/compensation for the most significant victims, not just what we can do as with pursuing lower order crimes which is meaningless - a new crop of errand boys are already in-charge committing new monumental crimes while past ones are being pursued on a treadmill. To put efficacy into the matter of stopping crimes against humanity before they transpire, the prime-movers have to be neutered and their enormous power and influence stemming from their infinite wealth terminated. Where is the precedent for that being set? It wasn't even set at Nuremberg when Dr. Hjalmar Schacht, the former governor of the Reich Bank – the bankster who orchestrated the financing for Hitler and enabled his war machine with funding from Wall Street and the City of London financiers – went scot-free!

Therefore, humbly daring to call a spade a spade, the statement of support from Project Humanbeingsfirst for Dr. Francis Boyle's conscionable efforts in the ICC in the "Bush to Hague" campaign is modulo our public statements in the Open Letter to Dr. Francis Boyle. The Letter is at the following URL and also appended below for your reference:

Thank you very much.

Subject Re: [International Criminal Court Complaint Filed Against Bush, Cheney, Rumsfeld, Tenet, Rice,](#)

[Gonzales By Prof. Francis A. Boyle](#)

Dear Dr. Francis Boyle:

In reference to your complaint filed with the ICC against the previous errand-boys who occupied the White House, would it be rude to notice that the higher order bits of using 911 to “goosestep the herrenvolk across international frontiers” ; the subsequent “shock and awe” visitations upon largely civilian population-centers and civilian infrastructures ; the decimation of millions of Iraqis/Afghanis ; subverting of the United States into a pre-planned police-state ; fabricating crises upon crises to propose pre-planned solutions in order to systematically usurp national sovereignty as per the diabolical modus operandi set by the Council on Foreign Relations in their own documents: ***“In short, the ‘house of world order’ will have to be built from the bottom up, rather than from the top down. It will look like a great ‘booming, buzzing confusion’ to use William James’ famous description of reality, but an end run around national sovereignty, eroding it piece by piece will accomplish much more than the old-fashioned frontal assault.”*** – have all been overlooked to pursue the relatively lower order crimes of “extraordinary rendition” upon a few individuals with the highly dubious statement: *“I doubt very seriously that the Accused would have inflicted these criminal practices upon 100 White*

Judeo-Christian men.”?

We only wish there was one decent 'Christian' man or woman alive in the hallways and beltways of Western academe and among the legal fraternity who might even attempt to capture the angst of the tens of millions of Iraqis/Afghanis still barely alive and who still await someone who will file legal charges against the monumental crimes that have been perpetrated upon them and their millions of murdered kin.

We fervently hope that you, Professor Francis Boyle, might be such a person. That you will file pertinent charges in the ICC, for both culpability and restitution, on behalf of the untold millions already dead in Iraq and Afghanistan, many more suffering with their entire national fabric, ancient heritage, and even their DNA despoiled in a crime so stupendous that ***“it is a mystery whose parallel may only be the one of Sinai when something was revealed to mankind.”***

For surely, it is inconceivable that you make complete obeisance to Western standards of morality by focussing on this lower order crime in the presence of un-addressed higher order monumental crimes – a morality which brazenly asserts from the highest pulpit of law in this land of the free:

“Nothing is more certain in modern society than the principle that there are no absolutes, that a name, a phrases, a standard has meaning only when associated with the considerations which give birth to nomenclature. To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative.” -- [Justice](#)

[Vinson, U.S. Supreme Court, 1951 AD](#)

And as you venture to focus on the higher order real monumental crimes against humanity, we hope you will not remain content by focussing merely on the errand boys. That you will see the connections between the quest for [“Global Governance”](#), fabricated crises from [pandemics](#) to [global warming](#), the seeding of *“revolutionary times”* across the *“global zone of percolating violence”* to make [“imperial mobilization”](#) possible which otherwise is *“inconceivable in normal times”*, and the [“history's actors”](#) who drive war-mongering policies and orchestrate wretched events from their Zion in the Middle East to their Zion in the Western capitals, not the least of which is Washington DC, in the expectation of creating the ultimate [“Zion that will light up all the world”](#).

And that, as you pursue the highest order crimes, you will not shy away from going directly for the jugular of the prime-movers behind the scenes of all the war-mongering 'errand boys' fronting for them in the Western capitals as the duly elected representatives of a duped Western peoples, including those presently occupying the White House. This was, lamentably enough, already pleaded to no avail in the following editorial when your lonely fraternal brother, Mr. Vincent Bugliosi, courageously asserted that [“Murder Trumps Torture”](#), but inexplicably failed to also simultaneously assert the legal and moral commonsense that prime-movers trump trigger-pullers: [Who is more guilty of monumental war crimes - the prime-movers or trigger pullers? April 09, 2009.](#)

Attempted prosecution of state-criminals on [petty charges](#) without also prosecuting their criminal aiders and abettors who 'legalize' and propagandistically justify their brazen acts of aggression, and therefore are entirely culpable in toto for *“all the evil which follows”*; staying silent on punitive as well restitutive compensation for their victims, is a legal sham that is only waiting to be torn down by some courageous people. We hope, Dr.

Francis Boyle, that you might be one such precedent setting spark which ignites the moral imagination of many to follow. The world has had enough from the dispensers of victor's justice!

Thank you.
